Chapter 1

Too Much Information

Oh, Em, Gee! You are, like, so totally bored. You took 200 selfies. You texted all your friends. You told them every single move you made. But then they stopped texting back. Maybe it's time to find something else to do.

Tip

Tell a parent where you're going!
Or take them with you. They could
probably use a good book to read.

Check It Out!

Why not take your imagination to
the library? The library is a world of
books and information. It's also
a world of endless adventure.
You just need to explore it!

Chapter 2

Sharing Smiles

Spreading some happiness is a great way to spend the afternoon. And the library is a great place to do it! Just bring some slips of paper to the library. Write nice notes on them. They can say things like, "Have an AWESOME day!" or "You're better than French fries." Once you have your notes, stick them in popular books. People will be happy to find them.
